Warm Greetings from the NSS Cell...

Congratulations... We have successfully completed 385 special camps. NSS Cell Recognizes the great service extended by the Principals, Head masters, teaching and non teaching staff, PTA and others for conducting the camp. We also put on record the service of our proud programme officers who lead the camp leaving behind their family during the sweet days of vacation. Together you provided rewarding experiences to 20,000 of our volunteers and enlightened their young minds. The vibrant participation in Nervazhi and Suchitwa Bhavanam projects are greatly appreciated.

We Wish You a Very Happy and Prosperous New Year...
