

Sub: - Centrally Sponsored Scheme- Infrastructure Development of Govt. Aided, Unaided recognized Elementary/Secondary/ Higher secondary Schools (IDMI)

Ref: - 1. Notification of the Government of India inviting Applications

2. GO (Rt) No. 2599/2009/GEEdn Dated 26/06/09

3. GO(Rt)852/2009/GEEdn Dated 23/02/10

4. GO(Rt)853/2009/GEEdn Dated 23/02/10

As per the notification of Government of India, Director of Public Instruction invited applications from voluntary organizations/Trusts/Societies running minority institutions through the deputy director of education of the respective districts for providing financial assistance for the infrastructure development in schools (Aided& Unaided recognized)

In continuation of this notification applications were received in this office through the deputy directors of education of the respective districts. But almost all applications were found defective with respect to parameters insisted in the guidelines of Government of India. Hence applications were returned to the agencies through the deputy directors of education of the respective districts for re-transmitting after rectifying the defects. Now 628 applications were re transmitted to this office from across the state through the deputy directors of education of the respective districts. The application were scrutinized and 517 applications which were found to be complete were put up before the GIAC meeting held at the General Education Secretary's chamber on 24/02/10 for consideration.

These applications were prioritized based on the following order of Preference

1. Strength of the pupils studying in the schools
2. Secondary Schools
3. Rural Schools
4. Least Priority has been given to the schools received fund from Govt. for the same purpose

The Grant in aid Committee met on 24/02/10 accepted the above criteria and suggested to forward 230 Applications of the Secondary Schools situated in rural areas of the sate considering the ratio of Muslim/ Christian population in the state and other priorities listed above.

On the basis of the above decision, 230 applications prioritized have already submitted to Government of India for consideration. Details 203 applications given below:

INFRASTRUCTURE DEVELOPMENT FOR MINORITY INSTITUTIONS IN KERALA(IDMI)
